Informed Consent For Treatment

Welcome to Naturopathic Medicine! As a doctor of Naturopathic medicine it is my honor to take your care and health seriously. The following document is an agreement between you and I that states that you are entitled to understand any detail you wish about your health condition, treatment and diagnosis. It states that you are aware of the costs of naturopathic medicine (including late cancellation policies), the benefits and potential risks and side effects. Your health is ultimately up to you, therefore you also have the right to refuse any suggested treatment. We are in this together, so be sure to ask any questions you have, no matter what they are, at anytime and I will do my best to fulfill the meaning of doctor (docere) "To Teach".
